

WORLDS BEYOND

An Evening of Musical Adventure

MARCH BAND CONCERT

Letter from the Director

Good evening, and welcome to our March Band Concert —
Worlds Beyond: An Evening of Musical Adventure.

It is my pleasure to welcome you as we celebrate the continued growth, dedication, and achievements of our student musicians this school year. Tonight's performance represents many months of hard work, discipline, and musical development, and we are proud to share that progress with our families and community.

Since our Winter Concert, the Franklin Academy Band program has experienced an exciting and historic season. Earlier this year, our band proudly participated in our very first parade performance at the Dr. Martin Luther King Jr. Parade in Pembroke Pines, held at the Charles Dodge City Center. This milestone event marked a new chapter for our program as students represented Franklin Academy with pride, energy, and professionalism in front of the community.

Another major milestone this year has been the creation of our very first Franklin Academy Color Guard. These talented students have already begun making their mark, performing not only in the MLK Parade But also at several school functions. Their dedication and enthusiasm have added an exciting new visual dimension to our performances, and we are excited to see this program continue to grow.

Our students have also been actively involved in musical opportunities beyond our campus. Several musicians were selected to participate in the University of Miami Honor Band, and the Pride Honor Band, where they had the opportunity to perform alongside talented students from across the region and work with distinguished conductors. We are especially proud to share that two of our students were awarded \$1,500 scholarships through the Pride Honor Band in recognition of their musical achievement and potential.

Tonight's concert showcases the hard work and progress our ensembles have made throughout this semester. The music you will hear reflects both the technical development and expressive artistry our students have cultivated through rehearsal, performance, and collaboration.

Thank you for being here and for supporting the arts in our school community.
